# Newcomer in Zug

Get to know the Canton of Zug better  
with a local person

Unterstützt vom  
Kanton Zug

Fachstelle Migration Zug

## You are a newcomer to Zug

Get to know your new home Zug better. Let a local person introduce you and get involved in Zug society. Feel faster at home in Zug. Receive suggestions as well as concrete tips for quickly settling in.

### Your role

You are open and curious for new things. You are interested in the canton and/or local residents. You have been living for less than three years in the Canton of Zug.

### Your benefit

The aim is for local people to help you as a newcomer to arrive and settle in in Zug to make it easier for you. You will be able to take an active part in and to face the daily challenges of life quickly and independently.

### How to proceed

1. You register as a newcomer: at [www.fmzug.ch](http://www.fmzug.ch) /email / or personally at the FMZ.
2. We send you and your possible host the e-mail contacts to the direct contact as well as possible tour suggestions in your municipality and in the canton.
3. You meet 1-3 times, depending upon mutual interest, without any further obligations.
4. The programme is free of charge.

The host can make it easier for you to settle in to Zug, but they can't get you a job or apartment. The host neither replaces a professional service provider or key person in the municipality

## There are three types of host in the program

### Family and social

A family and social host introduces the newcomers to the neighborhood and clubs and shows them the cantonal administrative offices.

### Nature and sport

A nature and sports host will guide you to the main sports venues, clubs, hiking trails or parks in the canton of Zug.

### History and culture

A history and culture host will show you the most interesting cultural and historical sights and associations in Canton Zug.

We will select the hosts and the newcomers according to their common interests and/or to municipality.
